BUILD CITY FOR CONSUMPTIVES

Fraternal Orders Unite to Establish Colony With World's Fair Building as Center.

WILL TAKE IT TO NEW MEXICO

Patients Will be Guests of Respective Orders, Which Will Support Sanitarium.

(Special to The Times-Dispatch.)

ST. LOUIS, MO., Feb. 18.—An endless chain, of interest to the 8,000 members of the fraternal and beneficial world, having as its object the creation of an emergency fund, was launched through the mails in this city to-day by the National Fraternal Sanitarium for Consumptives.

The proceeds are to be used to defray the expenses of the removal of the \$50,000 Temple of Fraternity, World's Fair grounds, to New Mexico, where the temple is to serve as the administration building in a mammoth consumptive colony.

Perpetuate Work.

The chain, by its nature, will not be confined to fraternal circles. In addition to those who are reached in the various series, it is expected that many individuals, seeing the chain letter in print, will become contributors and spread the chain to their friends.

The temple was recently donated to the sanitarium by the World's Fair Fraternal Building Association, it being the desire of the association to perpetuate the work accomplished by the alliance of practically every fraternal and beneficial organization in the country. The Temple of Fraternity, as long as its timbers last, is to stand as the fruit of the hopes and efforts of the various societies to "get together."

As Forest Park, St. Louis, must be cleared of all buildings at the earliest possible moment, the National Sanitarium will be compelled to take possession of the site at once. From \$100,000 to ten thousand dollars will be required immediately to wreck the building, ship it to New Mexico, and levy erect it.

Will Levy Tax.

As the new sanitarium movement was born with the gift from fraternalists, funds are not available at call, and the endless chain is being given by prominent fraternalists that a proposition to levy 1 per cent. tax on the coming annual gatherings of the supreme bodies, and the world that the sanitarium shall be maintained by them for their men, women and children who are afflicted or threatened by consumption.

As there are upwards of \$500,000 members in the various orders, the National Fraternal Congress and the Associated Fraternities of America, it is expected that the sanitarium will, within the year, be free from financial cares.

William B. Hudson, president of the Associated Fraternities of America, and Charles W. Hatfield, general secretary of the Missouri Fraternal Congress, and president and secretary, respectively, of the National Fraternal Sanitarium, are giving the work their personal attention.

City for Consumptives.

A special committee is now in New Mexico on a flying trip to select a site from the score offered.

It is the purpose of the sanitarium to give open air treatment, as well as medical attention, to the patients, all of whom will be the guests of their respective orders, and under little or no personal expense. A city in itself will be created in the most desirable part of New Mexico, with countless acres available for stock raising, etc. An opportunity will be given to all those who desire to work, medical experts agreeing that illness kills more consumptives in the West than the affliction which sent them there. In the center of the settlement or camp will be the Temple of Fraternity, as a monument to the brotherhood of man.
